WHAT IS FOSTERING?

Fostering is a special service set up for looking after children and young people who are unable to live with their parents.

THERE ARE 3 MAIN TYPES OF FOSTERING

1 EMERGENCY/RESPIRE

This is for a very short time maybe a few days or weeks, this is usually for children who need to take some time out from their home. Social services will find them a family who they can stay with for a short time.

2 LONG - TERM OR PERMANENCY

This is when a child or young person is placed with a foster family for a long time, usually for a number of years or until they have grown up.

3 SHORT - TERM FOSTERING

This is when a child or young person is placed into care, short term can be for a few weeks or sometimes longer.

YOUR SOCIAL WORKER

Your own social worker works for the Local Authority – that's the area you live in. They are in charge of making sure you are looked after very well. Your social worker will visit you at your foster home to make sure that you are happy.

Your social worker can help and you should feel happy talking to them about things that are worrying you.

CAN YOU DRAW A PICTURE OF YOUR SOCIAL WORKER?

Who is an IRO?

An Independent Reviewing Officer's (also known as IRO) main job is to make sure that your care plan (which is all about you and where you will be living) meets your needs.

- ✦ they will chair your looked after care review
- ✦ to support and encourage you to express your views, wishes and feelings
- ✦ ensure people do what they agreed to do at your review

At your Review, it is very important that you make sure that your IRO knows how you feel and what you would want to happen.

Your IRO's job is also to make sure that the Local Authority (who your social worker works for) knows when everything is going well but also to find out if there is anything they can help you with.

TEN important things to know about your IRO

1. If you are in care (or "looked after") the local authority must appoint an IRO for you
2. Your IRO chairs your case reviews.
3. If you have brothers and/or sisters in care they too will have the same IRO as you do.
4. You should know who your IRO is and how to make contact with him/her.
5. You should keep the same IRO for the whole time that you are in care.
6. If you are a parent yourself of a child who is also in care, you both will have the same IRO but in some situations will have a different IRO.
7. You should be given written information explaining the role of the IRO, and telling you what you can do if things decided at your review are not carried out.
8. If your IRO leaves (perhaps to go to another job or retire) they must introduce you to your new IRO.
9. Apart from your first week in care, you should never be without an IRO.
10. Your IRO should meet with you in person before your first review.

How to contact an IRO?

Your social worker or the Agency's supervising social worker can provide this information for you. You can also take your IRO's contact details when you meet him/her at your first review.

Do you know who is your IRO ? Write his/her name here :

YOUR FAMILY

Your family will be told by your social worker about your foster carers. How you are doing in their care and how you are feeling.

You can talk to your foster carer about your family.

You can talk to your family about your foster carer.

Is there anything you are missing most?

Write down names of people who are important to you.

WHY NOT DRAW A PICTURE OF THEM TOO?

- Your Foster Carers have their own social worker who works for Sunbeam.
- They are there to make sure your foster carers are getting the help they need and that they are looking after you well.

Do you know the Sunbeam's Social workers name?

- Sunbeam is an Independent Fostering Agency and have two offices, one in West London and the other in Coventry. Sunbeam opened in 2000 and we have many years experience of providing foster care for children and young people.
- The Children and Young People in our care are very important to us and we work hard to make sure that you are happy with your foster carers.

Foster carers are people who have been approved especially to care for children and keep them safe.

We understand that it can be very difficult moving into a new home and meeting your foster carers for the first time. Your foster carers will make you feel welcome and safe in your new home. You will have lots of questions like:

- **What do I call my Foster Carers?**

You should ask them, they won't expect you to call them 'Mum' or 'Dad'. If you talk about it then you can find out what everyone is happy with.

- **My Bedroom?**

You will have your own bedroom or you may share with your brother or sister. Your bedroom is your own space. You should try to keep it tidy. Your bedroom is your place to keep your personal belongings and anything that is important to you.

YOUR FOSTER CARERS

- Your foster carers should do their best to protect you and help you feel safe and happy in their home.

CAN YOU DRAW A PICTURE OF YOUR FOSTER HOME?

YOUR FOSTER CARERS

To make life easy for everyone, your foster carers will have house rules which they would like you to follow. These will be things like : Saying please and thank you, to knock on a bedroom door before going into the room and what time you should go to bed.

Do you have some house rules?
Write them down to help you remember :

1. _____
2. _____
3. _____
